Deputy Commissioners No. 191 dated 22-9-92 to Enr. Engineer
Deputy Commissioners No. 381 dated 29-3-93 to - do.

Report.

An Estimate for Rs. 355/- was sanctioned by the
Chief Engineer in January 1891 from District Funds
for opening out some of the roads in the New Town
of Kallurkutta. They were opened and the accounts
of the work were closed on May 1892.

The conservancy lane behind the Taluk
Kutcheri ^{now} and the forming of a new Square at C)
as well as the road ^{AB} were not opened, being then found not so urgent.

The Nagar Sub. Division Officer has now requested
that these roads may be made as the Taluk peons have
been given sites for building houses. Accordingly this
estimate has been prepared.

To form the new square at C certain houses
have to be purchased. The Deputy Commissioner
has assessed Rs. 69/- as compensation for the owners.
This amount has been provided in the estimate under
a separate Sub. head. The houses have been acquired
and the compensation is due to the parties.

The old roads as well as the new ones now
estimated require gravelling. This has been
provided

provided for at a cost of Rs 257/
